Past Employment

Middle School Math Teacher / September 2020 – May 2021

Taught fundamental mathematics to sixth grade and seventh grade students at different levels. Taught both intensive math classes and a regular mathematics class.

Sales Associate / January 2019 – September 2020

Front Service Clerk / 2015 - 2017

From 2015 – 2017, I provided excellent customer service at a local grocery market. After that, I pursued my college education full-time. Then, I became a middle school teacher in Florida.
